

**SPECIAL BOARD MEETING  
WRIGHT TOWNSHIP  
JUNE 23, 2009**

The meeting was called to order by Supervisor Becker at 10:00 a.m. at the Wright Township Office, 1565 Jackson St., Marne, MI 49435. Board members present were JoAnn Becker, Rick Schoenborn, Linda Way, Josh Westgate and Tracy Worrell.

No additions to the agenda

The purpose of the meeting was to discuss cost sharing for the repair of the sidewalk on State Street/16<sup>th</sup> Avenue. Discussed history of sidewalk in front of Lil Ernie's Market. There is a hole in the sidewalk and it is growing. It's been patched over the years but the situation is becoming dangerous because the sidewalk may cave in with the pit-like hole under the sidewalk. The hole needs to be filled very slowly (a few inches every few days) with slurry so it won't endanger the existing walls.

A motion was made by Way and supported by Schoenborn to approve a payment of \$2,500 toward the filling of the hole under the sidewalk and Cheryl Morse (Lil Ernie's Market) will pay \$1,000. Raymer Well Drilling will do the work for \$3,500. Motion carried.

Wright Township will work on a Sidewalk Maintenance Ordinance. We will gather existing ordinances from other municipalities.

Meeting adjourned at 10:20 a.m..

Respectfully Submitted,

Linda Way  
Wright Township Clerk
