

Dear Resident,

Are you, or know someone who is 50 years of age or older? For years we have offered activities and services for our seniors. We are reviewing and refreshing these programs and are looking for your help.

As a representative for your local municipal leadership, we have been collaborating with Four Pointes (North Ottawa County Council on Aging) concerning the best way to allocate senior citizen millage funding. These millage funds are used to support recreational activities and general services that promote healthy aging within our community.

Our goals are to continue to build awareness of available programs and services, engage individuals age 50 or better to existing recreational activities, as well as develop additional local recreational opportunities based on your input.

Please take a moment to make your voice heard.

To be eligible for the drawing of a \$100 gift card your completed survey should be turned in to the Wright Township office no later than January 17, 2018. \*

**\* Everyone who returns a completed survey will be entered into a drawing to win one of three \$100 gift cards!!**
